HOW IT ALL STARTED...

BSC is a Namibian entity registered during 2021 with offices in Windhoek, the capital city of Namibia and Walvis Bay, the coastal economic and logistics hub of the country.

In terms of its operations, the entity covers all 14 regions of the country with business, institutional and residential property security services of the highest quality.

As for other services which mainly include forensic, criminal and other private investigations, our services extend beyond the borders of the country. Our outlook includes having physical representation in especially the neighbouring SADC (Southern African Development Community) countries.

OUR VISION

"To be recognized as the most respected professional security and consulting service provider in Namibia and to continuously uphold and promote existing safety and security standards in the market with emphasis on creating employment opportunities."

PROFESSIONALISM

We subscribe to the highest quality standards of our operational industry and promise to account for all of our actions.

PRO-ACTIVENESS

We commit ourselves to take charge and control of the environment to ensure maximum return of investment for our clients.

RELIABILITY

We aim to at all times deliver on time and in an effective and efficient manner, without fear or favour in order to meet our client expectations.

RESULTS ORIENTED

We pride ourselves in delivering satisfactory services to our clients and our efforts are focused on the outcomes resulting from our inputs and actions.

VALUE FOR MONEY

What we promise is what you get. We have zero-tolerance for sub-standard services. Our rates are based on the quality and standards of our services in meeting clients' requirements.
